

# REECO TRANSPORT TROLLEY

## 900 MM WITH LOWER SHELF

Product Code: RF-024-0900-9003

# REECO TRANSPORT TROLLEY 900 MM WITH LOWER SHELF

## DESCRIPTION

Modular trolley. The main advantage of the trolley is the use of a perforated frame that allows for further expansion with various accessories such as perforated panels, shelves, TV mounts, strips for containers, or documents. The bottom shelf has 30mm high edges and a load capacity of 50 kg.
